Community Guidelines (SYNTHETIC evaluation document)

1. Be kind and specific when giving feedback.
2. No unsolicited direct-message selling to other members.
3. Moderators may remove posts that share personal contact details publicly.
4. Report spam using the post menu; moderators review reports within 24 hours.
5. Members who repeatedly break guidelines receive one warning before removal.
6. Automated assistant replies are labelled and may be corrected by staff.
